ANNUAL REPORT 2020-2021

It is my pleasure to present the annual report of the school for the year 2020-2021. The school was established in 1998 with the motto "LEARN TO LEAD". **Learn to Lead** is designed to make new creators from the individual learners to effective leaders.

E.S. MATRIC HIGHER SECONDARY SCHOOL, aims to be the Center of Excellence in Education using the ESSM INOVATIVE TEACHING CONCEPT, where the seeds of the all-round development of the children are sown at an early age.

Our vision

Our Chairman and General Secretary with propensity created a dynamic environment to bring out the best of every student in a holistic manner. With learning's focused on the complete development of a child, E.S. Lords Matric Higher Secondary School envisions to be the foundation for creating wise leaders rooted in their ethnicity and culture to create a better future for all.

Our Mission

To provide a safe, nurturing and a high-end digitalized environment with a core curriculum that enables them to be multiethnic, multicultural and a responsible member of pluralistic society.

Online class and their outcome

"A positive mind-set gives the ability to look for different ways to handle situations and turn Every obstacle into an opportunity"

Ever since Covid-19 pandemic spread its wings all over the world, all of us are going through challenging times. Like all other areas of life, academic too has been badly hit, but our Honourable Chairman has transformed this challenging situation into opportunities in doing service to the student's community by providing continuous and comprehensive education through **ESSM INNOVATIVE TEACHING CONCEPT**.

He has given virtual classes to all the students for a higher order, Teaching-learning transaction in a proactive way in **E. S GROUP OF INSTITUTIONS**.

His brilliant thoughts and actions created a real classroom situation by providing various physical and mental activities, worksheets, classwork, celebration of important days and assessing the students' learning through online and offline examinations.

Parents of E.S MATRIC HIGHER SECONDARY SCHOOL thanked the management, principal, and the Facilitators for supporting and guiding their wards with patience and commitment and also stated that, the online classes has developed confidence and indeed has triggered the hidden talents of their children.

All the above achievements are due to sincere- Discipline, Determination, Devotion, dedication and Dreaming BIG by our Facilitators.

Philosophy:

The school focuses on advanced academics with extra-curricular and co-curricular activities. Students are trained at a very young age towards incorporating a sense of responsibility, loyalty, team spirit, and healthy competition to become graceful and dignified personalities.

The academic year 2020 - 2021 commenced from June 10 Through online due to covid -19 pandemic with a prayer service and all new joiners were welcomed to our school family through ESSM Innovative Teaching concepts.

Success is the sweet result of hard work combined with the desire to excel and unflinching dedication.

TEACHING STAFF

The most valuable resource that any school can have is its facilitators.

The school collectively has an enthusiastic and dedicated team of facilitators in both academic and non-academic areas. The team work of facilitators made our dream to work in this covid-19 pandemic situation and enables the school to function smoothly and grow with new perspectives.

All teaching staff were trained by E.S Groups in various topics of academics and non-academics. All the teachers were trained and they have transformed their learnings towards the learners of E.S.

CCE approach

The School continues to strive towards Innovation and the latest practices in the field of CCE are being continuously incorporated. The followings are CCE approach which are incorporated in an innovative way during online video class.

1. Experiential Learning
2. Competitive learning
3. Art Integrated Learning.
4. competency based learning.

Academics:

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills. Some of these events are handwriting, essay, speech and slogan writing competitions. Competitions are also held for Poetry recitation, story writing and narration, debate, English and Hindi elocution, GK, IQ and Math quiz competitions were conducted through ESSM Innovative teaching concepts.

Science, Maths and English Olympiad exams were conducted in online and the students performed excellently at the local as well as State level.

Our students actively participated in Vocal, dance and speech competitions conducted Villupuram district CEO.

Value based education is given for self-development and personality development. This is done with the aim to inculcate students' values like honesty, gratitude, forgiveness, kindness etc.

CEO Office Meeting:

The government has taken many measures during this Covid-19 pandemic to safeguard the students. After a long way the government gave permission to reopen schools with many safety measures. We had a meeting with chief educational officer of our town.

The main key points of the meeting were

- The consent form to be filled by the parents in order to know if they are willing to send their ward to school
- To report the percentage of parents who are willing to send their wards to school.
- On reopening the school, the attender or watchman in the gate to have the thermometer and sanitizer to check the student's temperature.

Conclusion:

We believe that every Year brings changes with God Almighty's protection. As we are passing through an unprecedented crisis situation in the year 2020 we are confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education fraternity and the society in general.

Before I conclude, let me assure that even though our students engage themselves in various co-curricular and life skill activities, top priority is given to academic performance. Remedial teaching, extra classes, revisions, unit tests, class tests, assignments, project work, end of term exams have kept them busy throughout the year. I render thanks to our Management, our teaching and non-teaching staff and my students and parents who have been with us in all our activities with maximum support and co-operation.

Thank You.
