*ANNUAL REPORT*  
**2022-2023**

# Introduction:

*I am gratefully honoured and humbled to deliver the annual report of the year 2022- 2023. We have the academic year with regular sessions from June 1<sup>st</sup> upto April 21<sup>st</sup> the basic knowledge to the students, We feel proud to announce that E.S group of institution is the only one in the district to be with the digitalized classrooms. Learning tools and technology enables our students to develop effective self directed learning skills. They are able to identify what they need to learn, find and use online resources, apply the information on the problem at the hand, and even evaluate resultant feedback. This increases their efficiency in learning and productivity in grasping knowledge, soaking up information presented to them. In addition to engaging the students, digital learning tools and technology have sharpen critical thinking skills, which are the basic for the development of Analytic reasoning. Children who explore with opened questions with imagination and logic learning how to make decisions, as opposed to just temporarily memorizing the textbook. By helping the children to think their outside typical learning modes, digital learning inspires creativity and let the children feel a sense of accomplishment that encourages further learning.*

## ESM Vision:

*To discover innate talents, to built minds with convictions,integrity, social and moral responsibilities,nurture the self confidence and enrich our academic excellence through ESSM-Innovative Teaching Concepts and be an all - round developed personality through joyful learning , enduring values and enhance our scholastic achievements to be a winner at the global level.*

## ESM SPORTS ACHIEVERS

Champions are not made in the gym. Champions are made from something they have deep inside them – “a desire, a dream, a vision”. Physical Education equips students with essential knowledge and skills needed to function effectively in the young age. Physical education is an integral part of the education system.

Sports competitions and activities inculcate the spirit of positive challenges, Sportsmanship among the students and prepare them for the life ahead. Sports, Games and Physical Fitness occupy a place of importance in our curriculum. The students are actively involved in Gymnastics, Yoga, Skating, Chess, Shotput, Discus Throw, Javelin Throw, 110mts Hurdles, Silambam, Volleyball, Badminton and Other on-field sports activities. The students have made ES Matric Higher Secondary School proud at many Districts and at State level every year.

### *ECA Achievers in ESM*

Educational philosophy refers to the importance of teaching students to be life long learners. There is much more to education and experience than classrooms, textbooks, and success.

Extracurricular activities provide opportunities to students to express and explore themselves in areas depending upon their interests, skills and talents.

Our ESM students who successfully participated and got many more prizes.
